Jeff Czuba's Tip of the Month

Practice with a purpose. Don't just get up there and start smackin' your driver. Start with your pitching wedge and work your way up through the bag. Pick different targets to aim at. Once you're warmed up vary the clubs that you hit; similar to the way you would play a round of golf!

Comment Cards

Tell us how we are doing! Simply fill out a comment card in the pro shop the next time you play and automatically be entered into a draw to win:

“A FREE FOURSOME OF GOLF”

Ask the staff in the pro shop for more details.
